Our *Services*

From design to installation and ongoing maintenance — we transform your outdoor spaces into living masterpieces.

Landscape Design

Complete garden design and installation including trees, shrubs, plants, and hardscaping for villas and commercial properties.

Bougainvillea Specialists

Expert planting and shaping of colorful bougainvillea in all varieties — pink, yellow, red, orange, white, and mixed.

Artificial Grass

Premium artificial turf installation for gardens, rooftops, and play areas — lush, durable, and water-saving.

Garden Maintenance

Regular trimming, pruning, watering, fertilising, and plant care to keep your garden healthy and beautiful all year.

Entrance & Patio Design

Beautiful potted plant arrangements and entrance landscaping to create stunning first impressions.

Rooftop & Balcony Gardens

Specialised green solutions for rooftop terraces and balconies including planter boxes and climbing plants.
